

Dear Guest,

We welcome you and your pet to the Hotel Petaluma. If you need to visit a pet shop, obtain a pet sitting or kennel service, or require the services of a veterinarian, please contact the front desk staff. They will be happy to assist you in arranging any of these services. The park is a wonderful place to walk your pet. The City of Petaluma requires that all pets be on leash at all times. Additionally, the pet owner is responsible for cleanup of any waste. If you need clean-up bags, just ask.

We are happy to have your pet join us. There are a few rules for pets at the Hotel Petaluma.

- Your pet may not join you in any of the Hotel's meeting and banquet facilities.
- Your pet(s) must be on a leash and in your control whenever they are out of your room.
- **Your pet must not be left unattended at any time.** For information on pet sitting services, please call the front desk.
- With regards to housekeeping services, our staff will not service your room unless your pet has been removed. If you would like to request housekeeping services at a designated time, please advise the front desk staff. If no such time was arranged and the staff could not access the room, fresh towels, linens, and amenities may be requested at a later time.
- You are responsible for the actions of your pet. Should the animal create a disturbance for our guests and you cannot be reached, we reserve the right to contact the local humane society and have your pet removed from the hotel. Any cost involved will be your own responsibility.
- Should there be any damage to the room or disturbance to other guests as a result of the actions of your pet, we reserve the right to bill you for the cost of restoration of the room or compensation made to other guests.
- **A deposit of \$100, is due at the time of check-in.** This is a **refundable** to you and your pet upon departure provided your room shows no evidence of outstanding pet damages.
- **A charge of \$20 per day has been applied to your room.** This daily charge is **non-refundable** and covers the cost of additional cleaning required during and after your stay.

We hope that both you and your pet enjoy your stay with us, and your visit to Petaluma!

With Regards,

Juli Lederhaus
General Manager

I have read and understand the Hotel Petaluma's policy regarding pets:
